

Transparent, translucent and solid color substrates for aesthetic decor. Duets Accents is single-ply, cell-cast acrylic sheet material offered in both a range of transparent, translucent and opaque colors. Duets Accents offer a wide range of versatility, with contemporary architectural colors, a combination of gloss and matte finishes, and can be easily paired with Duets Tactiles to create a tactile sign with the look you want.

Only the highest quality product leaves our plant. We manufacture Duets in our state-of-the-art cleanroom facility located in Cannon Falls, Minnesota allowing us to offer you a better product:

- Dust-free materials
- Tightly-controlled color and finish uniformity
- Consistently the flattest material

We stand behind everything that leaves our plant. And while it's our name on the materials, we know it's your name on the final product. That's a responsibility we don't take lightly.
