

Make a statement with this sturdy 2-ply engraving substrate. The clear top layer has a matte finish, and the vividly-colored back layer is reverse engraved. Backlight or back paint this outdoor-grade material to give a whole new dimension to wayfinding, branding or displays.

Only the highest quality product leaves our plant. We manufacture Duets in our state-of-the-art cleanroom facility located in Cannon Falls, Minnesota allowing us to offer you a better product:

- Dust-free materials
- Tightly-controlled color and finish uniformity
- Consistently the flattest material

We stand behind everything that leaves our plant. And while it's our name on the materials, we know it's your name on the final product. That's a responsibility we don't take lightly.

COLORS

INDOOR ONLY

NOTE: Colors portrayed and/or color formulas expressed herein are for reference only. Duets materials are tightly controlled for color consistency during manufacturing, but the colors in printed, electronic or online representations may vary from actual material colors. We recommend requesting a free color chip or referring to the Duets color swatch binder to validate material colors.
